Arty Maths

Base 3 have thoroughly enjoyed manipulating and moulding play dough during our Art lesson this week. We linked this lesson to Maths and our knowledge of 3D shapes. We have creative mathematicians!

Mindfulness for Health and Wellbeing

Mindfulness can help to relieve pain, reduce anxiety, depression and the stress of daily life leading to healthier happier lives. It can also be useful to support children and young people with worries and anxiety at school helping them to deal better with exam stress and friendships issues too. Mindful parenting is a tool that uses Mindful communication to better deal with the stress of parenting and allow us to see the positives in our children and how amazing they are.

Our guest speaker Martina Boshell teaches Mindfulness to children and young people in schools and to adults in local communities. She is currently in her second year Masters training in Mindfulness at Bangor University.

Come along and learn some more and maybe give some Mindfulness practices a go!!

Parent Consultations

11th and 13th February.

Appointment slips will be coming home with the children for the upcoming consultations.

If you would also like to make an appointment to see Mrs Smith (SENCO) on the **Monday or the Wednesday** to discuss any specifics, please contact the office to book an appointment.

Parking In The Bus Layby

Appeal to all parents and carers:

We are receiving complaints that cars are parking in the bus layby to collect and drop off children to school each day. The problem has been reported to the CSO (Community Support Officer) and they will be checking the area daily and action may be taken against those using the layby for this purpose. **Thank you for your attention.**

Maths Workshop For Parents

Thursday 28th February

2.15pm-3.00pm

To be held in the school hall

Football Friendly

On Monday our year 5 and 6 girls played a football friendly against Lilleshall Primary School. After a fantastic season the girls once again put in a super performance. Despite a good first half we were 2-0 down. However the girls came out determined in the second half and scored 2 goals to bring the score to a 2-2 draw! In the last 2 minutes of the game, Summer made a fantastic run up the pitch in an attempt to score but sadly it hit the bar. They proudly maintained their 2-2 result.

We are all so proud of the girls this season, they have come a long way and improved massively, they work great as a team and always put 100% into every match. WELL DONE GIRLS! - Miss Cassidy

Marvellous Map Readers

On Tuesday this week some of our year 6's attended an orienteering event at Adams Grammar School, which turned out to be a very wet and cold afternoon. The children were brilliant - they showed excellent team spirit and resilience throughout the afternoon. One of our pairs got a fantastic time of 32 minutes to complete the course and the other 3 pairs were not far behind them. Well done to all involved you all did Apley Wood very proud! - Miss Cassidy
