As next week is the last week of term we are asking for all library books to be returned to school please by **Monday 8<sup>th</sup> April**. Accelerated Reader books can be kept over the half term but they will need to be bought back in and renewed.

Please do have a good check at home for any outstanding books that you may have as we do still have a large amount of books missing from our library. Thank you.

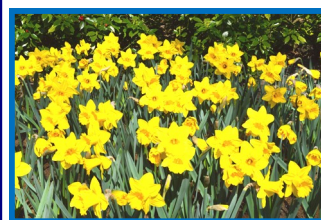

If your child is going to be absent for any reason during the school day, please can you contact the office on 01952 386180 to let us know. If your child has an appointment we will need a copy of the appointment card or letter. Also, if someone different is going to be collecting your child the office does need to know before 2.00pm to ensure that teachers are informed before the end of the day. Help us to keep your children safe. **Many thanks for your co-operation.**

## Gardening News

We would like to say a big thank you to one of the parents for the donation of some lovely strawberry plants for the school allotment area. They will be a colourful and very enjoyable addition.

We have also enjoyed the beautiful displays of golden daffodils that were carefully planted by Mr Snell and his helpers; Khadija, Katelyn and Caylynn, as donated by Telford and Wrekin to celebrate 50 years of Telford.

**Amazing Coding**  
 Base 3 enjoyed an afternoon working with Mr Smith @amazingict using @purplemash to code. They learned all about algorithms and debugging whilst using their team ant skills. Well done!
