

APLEY NEWS

Welcome To The Summer Term

Welcome back and we hope that you all had a very enjoyable Easter break. We are looking forward to some nicer weather this term and have sent letters home this week (and emailed them) regarding our school Summer Guidelines which we hope you will find helpful.

Musical Assembly

Harry, Alice, Thomas and Oscar showed off their incredible drumming skills when they performed in an assembly at the end of term. They 'smashed it' drumming for the Key Stage 2 children and hopefully they have inspired some future drummers. If you are interested in music lessons for your child, get in touch with Telford & Wrekin Music, or find out more at:

Awesome Easter Table

Our awesome table children celebrated with an Easter theme before we broke up for the holidays. Everyone who received an Awesome Certificate enjoyed a lunch fit for Easter bunnies.

School Dinner Cost

Just a reminder that the cost of a school dinner is now £2.30 as from the 1st April 2019. We hope to have our new printed menus very shortly and these will be available from the school office. Meanwhile a copy has been emailed out. Lunch accounts do need to be kept in credit. You can check your child's balance and top up any time by going on the Telford and Wrekin website. Thank you.

DATES FOR YOUR DIARY

Clever Coding

Base 6 had a great afternoon with Mr Smith on Monday. He has been teaching children in Base 6 about coding in computing. The children created a code to make fish move and to make bubbles pop. They used a program called Purple Mash. Well done Base 6!

Apley Astronauts

What a blast Base 3 had during their Space Day in the last week of term. They showed off their amazing homework projects and enjoyed fun space themed activities.

Activity clubs

Letters for the after school clubs for next half term have been sent home this week and all clubs are available to book online now. Book your child's place as soon as you can to avoid disappointment. The cut off date is **Friday 10th May**. Thank you.
