

APLEY NEWS

Slip, Slap, Slop

Don't forget to send your child with a **named sun cream**, **sun hat** and most importantly a **named water bottle** each day for school. Children without water bottles are sharing cups at the water fountain which can spread coughs, colds and bugs which makes it doubly important to have their own bottle. **Help keep all Apley children safe and healthy. :)**

Thank you to everyone who responded to this year's parent questionnaire. We had 125 responses from across the school.

We received overwhelmingly positive feedback and some interesting suggestions in relation to what we could do in our quest for continued improvement. As you can appreciate, we are unable to put into action all of the suggestions you have made but will be sharing your thoughts with the governing body and identifying areas to work on over the coming terms. Thank you so much for your support- working in partnership for the very best for your child is vitally important to us.

Your School Needs You

Have you ever thought of becoming a school volunteer? Can you spare a few hours each week or possibly help on the occasional school trip? We are in need of some new recruits for our parent helper team. Some volunteers come in to school and help listen to the children read in class each week. Others help with Forest School sessions and some help with trips further afield. If you are interested, simply come to the office or phone school on 386180 for more information. All you need is time, enthusiasm and a Telford & Wrekin DBS which we can help organise for you. :) **We would like to take this opportunity to say a big thank you to all of our current parent helpers for all their time and effort –Thank you!**

If you have any worries or concerns please do not hesitate to contact the school
