Year 1 Get Gassy

Year 1 enjoyed a fantastic STEM science lesson hosted by staff and students from Charlton School. The children all took part in various experiments learning about how gasses can make things move and inflate. It was extremely hands on and all children had the opportunity to work scientifically. Our finale was an explosion involving a bottle of cola and mint sweets, the children were totally "blown away" by it. We would like to thank Mrs Ventruss, Mrs Bird and the STEM representatives from the Charlton school as well as Miss Gilbert for organising it. **Miss Fisher**

Ercall Colts junior football club are looking for new players in year 3 for September 2019. They play on a Sunday morning and open training is on a Tuesday evening at Charlton School 6 till 7. If you or your child are interested in finding out more, please get in touch with **Claire Field** @ claire197318@gmail.com

Year 6 Hit 'Rock Bottom'

The year 6 children put on a fabulous performance in their play 'Rock Bottom'. It was thoroughly enjoyed by parents and family members that came to see it, and also by the rest of the school on Friday. The children were all amazing, acting and singing, and they should be very proud of themselves. Well done to everyone on stage and to those who worked so hard behind the scenes to make the show a real hit. Encore, encore!!
