Apley Pupil Wins Poetry Award

We had a visit from the Mayor of Wellington last week who came to award one of our children a prize for competing in the Peggy Harrison Poetry Competition, Wellington Festival. He was very impressed with how well behaved the children were in assembly! Congratulations Sabrina!

School Assembly
Monday 30th September

Donations of tinned and fresh food items would be very welcomed from pupils at the school assembly.

All donations will be collected by KIP Food Bank which is a very worthy cause.

We thank you for your support

Greetings From FAWS - Friends of Apley Wood School

Welcome back to another year of exciting fundraising events. Our aim this year is to fund a running track around the school sports field.

This will enable the children to take part in the daily mile; a running event to help promote health and wellbeing.

Our first planned event is our Halloween disco on Tuesday 15th October. The reception and KS1 children's disco runs from 4.30 until 5.30 with the KS2 disco starting at 5.45 until 6.45. If you are able to help at the disco, or wish to know more about FAWS and how you can get involved, I can be contacted at school or by email at dale.angell1@taw.org.uk. Many thanks, - Mrs Angell

Everyone is welcome

Shropshire Star STEM Challenge Day

This week, six Year 6 children displayed their Science, Technology, Engineering and Maths skills as they competed against other schools in a Shropshire Star STEM challenge day at Enginuity.

The children showed superb team and skills whilst they designed and made a Wildlife Centre, following a brief and a limit to their costing, on a 'piece of land' which had a range of endangered species.

They planned their design meticulously and therefore were awarded a prize for their efforts. The children used the resources and budget carefully, showed resilience when things didn't go to plan and then articulated their design to the judges brilliantly.

It was a fantastic day and a pleasure to take them, well done!

Spec-tacular Visit

A big thanks to **@Specsavers** who visited Year 6 last week as part of their science topic. The children enjoying learning all about how the eye works and used their curiosity to explore different lenses. It was definitely a knowledge-filled morning!
