Help support your school!

**Fabulous Festival**

Thank you to everyone who provided food for our harvest festival. Some guests from @Maninplace who support homeless people in our local area came to speak to the children and collected your donations for their good cause.

**Practical First Aid**

On Wednesday this week, Base 12 had a visit from Mr Murphy who spoke to us about First Aid. All of the children learnt how to do many things, including how to put on a sling; give CPR and how to treat a nosebleed. They all enjoyed having a go, and asked some excellent questions.

Well done Base 12!

The Reception children have learnt how to become Learning Detectives! Two children are chosen daily, who are responsible for spotting super independent learning, and then report this back to the class at the end of the day. Check out our glasses!
