A Widget Workshop For Year 4

On Tuesday the year 4 children took part in an Egyptian Day, as part of their topic this term, held by Widget Workshop. The children came in to school in some amazing Egyptian costumes. We were very impressed!

Throughout the day, they took part in activities that helped them to learn more about The Ancient Egyptians. They made cylinder seals; mummified each other and learnt about the Canopic jars. They travelled to the land of Egypt through VR headsets; became archaeologists by digging up artefacts and they learnt how to build a pyramid.

The children had a wonderful day, showing fantastic behaviour and they learnt a lot of new things about The Ancient Egyptians which will help support their learning in class.

Well done Year 4 for a brilliant day! - Mr Taylor

Drop off and Collections

Could we please ask parents to be considerate to the local residents when dropping off and collecting your children. Cars are being parked across peoples drive ways and blocking access to residents roads causing the school to receive complaints. We would really appreciate your assistance in this matter and help your child's school maintain its good reputation within the local community. **Thank you.**

Lost Property

A lot of time is being spent in school trying to reunite children with missing clothing and belongings because they are not named. At the end of each term we are always left with so much unclaimed uniform. With winter approaching there will be even more coats, and hats and scarves too. **Please name all of your childs items;** clothes, coats, PE kits and other belongings as we cannot get them back to your child without it. **Thank you for you co-operation.**
