### Apley's Giraffe

Our newest resident, the bottle top giraffe, has taken pride of place at the front of school and hungrily awaits all of your bottle tops. Collect as many as you can and send them in to school with your child to be fed to him. We have him here for 4 weeks before he moves on to another school. He will eat all bottle tops, metal and plastic alike so get collecting and lets see how quickly we can fill him up. Check out our twitter feed for updates!

**Arthog Adventures**

The year 6 children have had an amazing time at Arthog this week. They have taken part in team building activities, gorge walking and raft building to name a few. There will be some tired but happy children coming home today. Well done everyone!
