Headteacher News

I hope you have all had a good week and are keeping well. Thank you for all the positive messages we received following the staff video message, we really do miss everyone.

I have been delighted again this week with all the home learning activities I've seen. I have some very impressive gardeners in Year 1, incredible Roman projects from year 3, a very creative and imaginative Star Wars themed day, some talented artists and lots of children keeping busy with their reading and their phonics. You are all amazing! Please don't worry about not doing enough, the activities and links provided are suggestions, it may not be possible for you to do everything that is suggested.

I must say a very big thank you to the Year 6 children who made a video reply to our school message. It was so lovely to see your faces and it really cheered everyone up. Thank you for being so thoughtful.

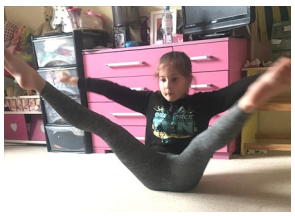

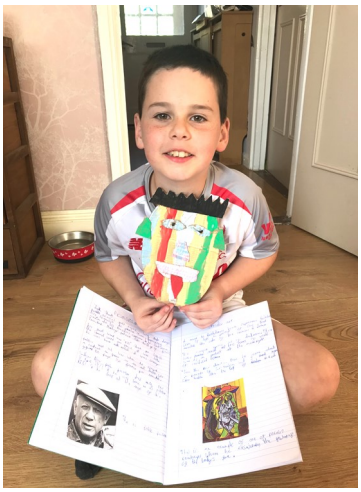

I will keep you updated with information about school re-opening when I have further information from the Local Authority.

Take care and stay healthy.

Ellen Smith - Headteacher

Here are some more of your wonderful photos of children keeping fit, performing tasks and activities, home schooling, and most importantly lots of super smiles. Keep them coming!

Happy 5th birthday Amelia! What a lot of balloons! x

In preparation of our reopening, whenever that will be confirmed to be, could I ask parents/carers to log into their **Scopay** accounts to ensure that they have not been booked in for any Hub or breakfast club sessions from 23rd March as these will be charged against your accounts.

There are a number of outstanding payments due for Spring Term clubs and trips. Can you please ensure these are paid ASAP as Mrs T Smith will be chasing these over the next week.

If you pay by childcare vouchers, please be mindful that your payments will need to be adjusted in light of the closures. We cannot refund any payments given via the childcare voucher scheme as the payments are subject to tax relief so please ensure you are only topping your accounts up by what you need.

Thank you for your continued support.

Apley Video Message

If you haven't already seen it, there is a lovely message from the staff here at Apley Wood, sending love and 'missing you' messages for all of the pupils and their families staying at home.

It is available to view on the school website. We would also like to say a 'big thankyou' to the year 6 children who took the time to make their own little video in response to ours. It was absolutely lovely and a real boost for all the teachers and support staff here at school. We miss you all so much and hope to see you again very soon. x

Thank you again for all of your wonderful photos and emails. We are really looking forward to seeing what you all get up to next week and hopefully we'll have a fabulous collection of photos from your **VE Day** celebrations and activities that you have all been up to. Until next week, take very good care and keep smiling! All the very best, Sharon. x
