

APLEY WOOD
PRIMARY SCHOOL

To Base 13,

I just want to thank you for all your hard work this year in Base 13. I am so sorry that you haven't been able to finish your final year at Apley altogether but you certainly have lots of great memories to remember from all your years at Apley. Even though we couldn't finish the year as we would have wished, I know you are all ready to move on to your next adventure.

I am so proud with everything that you have achieved in your final year at primary school. You all showed amazing resilience throughout the year and worked so hard to try and achieve the best you could in your SATS. Even though you never managed to sit your SATS, you should all be extremely proud of yourselves as the work you put in this year was fantastic.

We have put together a little video for you all; watching this video brought tears to our eyes! We hope you enjoy watching all the memories you have made throughout the years.

Finally, when we finally get back to normality, it would be lovely to see your smiley faces again. Please come and let me know how you are getting on at your new schools.

Stay safe and have fun with your new adventures!

Love from

Miss Morgan and the Year 6 team xx
