Dear Parents and Carers

Year 4: 8.45am – 3.15pm

Drop off /collection will be through the **Base 7 or Base 8 fire exit doors.** Please access this area through the gate at the front of school by the car park and not through the main playground gates. There is a one way system to access the classrooms and there is also a video on the school website news page to show where the entrance/exits are.

Please arrive on time and leave as quickly as possible – parents should not gather on the playground or block the paths outside school. If you have children in more than one year group you can arrive at the earliest time and drop the youngest children off first.

I have attached with this letter, the detailed information you need to know for the start of the new term in September.

Please do not hesitate to contact us if you have any questions. We are all really looking forward to school resuming fully again in September.

Thank you again for your continued support.

Yours sincerely

Mrs E. Smith
Headteacher
