Green Fields Farm Shop

10 h · 🌐

We'd like to do our bit for the children in our local community next week. If you're in receipt of free school meals, and will struggle financially to provide the extra food this half term, we are here to help. We will make up a sandwich box with a piece of fruit for children, free of charge, in the school holidays.

You can message us through Facebook with your collection day/time. All that we ask is that you send us some proof that you are in receipt of FSM and we'll have the food ready for you.

We have the two stores so are able to make plenty of sandwiches each day. If this is busier than anticipated then we may have to push some collections to the afternoon. We will of course make as many as we can in the time that we have and update if we are overwhelmed.
