Lesson 3

Make a paper spring:

<https://www.youtube.com/watch?v=voHf98IcTyQ>

1. Get two long strips of paper glue together, making a right angle.
2. With the corner on the upper right side, fold the top strip over to the left.
3. Then fold the bottom strip over and up.
4. Carry on till you only have one last fold to make.
5. Fold the last part and glue. You're done!

Make a slider

1. Make 2 cuts across a piece of card (a grown up will need to help you with this)
2. Cut a strip of card and slide it under the first slot and back through the second.
3. Move the strip from one side of the piece of card to the other.
4. Add a picture to the end of the strip if you wish.
