

APLEY NEWS

Headteacher Message

It has been another busy week in school. I would like to thank the staff, parents and children of Base 13, Base 7 and Base 5 for their fantastic response to the bubble closures and the new remote learning options. Thank you for the positive feedback we have received about this, we fully understand that a bubble closure is difficult for everyone involved as we are all having to adapt. I have really enjoyed logging in to teams everyday to see the work, messages and photographs of learning that have been completed. This has been another example of how the Apley community has worked together in these ever challenging times. I am looking forward to seeing Bases 13 and 7 on Monday and Base 5 on Tuesday next week.

We have had a successful anti-bullying week again this year. Our safeguarding team delivered an informative assembly with the 'United Against Bullying' message and set a task for all of our classes to complete. Base 9 shared their work with me on Wednesday this week and I was very impressed with their thoughtful and mature comments.

As a reminder, please do not send your children in to school if they are unwell or if they have been in contact with anyone who has Covid symptoms. If you are unsure, please contact the office and we will be able to advise you.

I hope you all have a good weekend. Stay safe.

Mrs Ellen Smith - Headteacher

Covid-19 Email Address

If you need to inform us that your child has had a positive Covid-19 test result, please use the following email address H2190@taw.org.uk

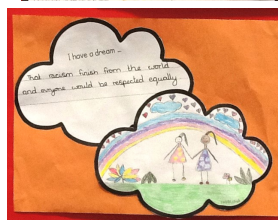

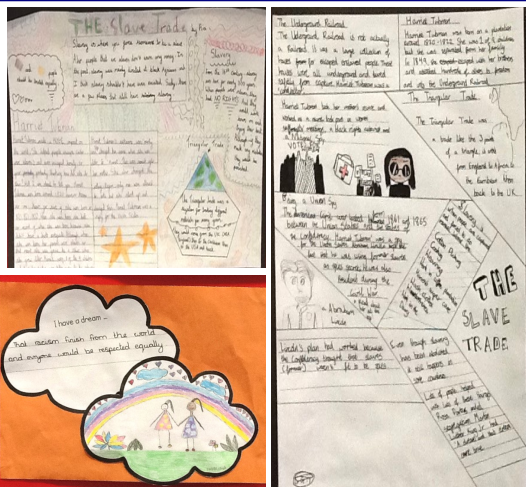

Please do not use this email for any other reason. **Many thanks.**

Little Angels

With Christmas just around the corner, this week Year 2 have started to practise for their Nativity! We are already seeing some rising stars. Well done Year 2.

Here are some examples of the excellent work, from across the year groups, for the **Black History Month** display they have created here in school. They should be very proud of their work.

Base 1 enjoyed our Forest School scavenger hunt this week. They were very lucky to spot a buzzard on our field. **Miss Smith**

Apply online now

Starting school?

Closing date for applications:

15 January 2021

www.telford.gov.uk/admissions

- You **must** apply if your child was born between 1 September 2016 – 31 August 2017.
- You **must** apply even if your child is attending a nursery or pre-school on a school site or you have a child already attending the school.
- Attending a nursery does **not** guarantee a school place.
- If a child has an Education, Health & Care Plan the closing date is 31 October 2020 for all applications.
- School places are allocated in line with oversubscription criteria.
- See website for more information www.telford.gov.uk/admissions or contact School Admissions at admissions@telford.gov.uk

If you have any worries or concerns please do not hesitate to contact the school

Anti-Bullying Week

During anti-bullying week, the children in **Year 3** completed some jigsaw pieces to show the part they are going to play in standing united against bullying. The jigsaw pieces are going to be put together on a display to show how we can all work together to eliminate bullying.

Apley Wood Primary School Supports Save the Children

Wear your Christmas Jumper and donate £1.00 for the charity

Friday 11th December

Help make the world better and wear your Christmas sweater!

Thank you for your support

Enlightening Experiments

If the distance changes between the light source and an object, how does this impact the shadow it casts? **Base 11** put their investigation skills to the test to create some brilliant, unique ideas to explore the relationship between distance and size. Great fair testing!
