E-Scooters – What you need to know

It is illegal to use an E-Scooter in spaces that are set aside for use by pedestrians, cyclists, and horse-riders; this includes on the pavement and in cycle lanes. If you use an e-scooter illegally, you could face a fine.

Where can an E-Scooter be used legally?

You can use E-Scooters on private land to which the public does not have access without legal restrictions. The permission of the owner or occupier of the land must be obtained however.

Latest COVID-19 Guidance - National lock-down: **Stay at Home**—You must stay at home. The single most important action we can all take is to stay at home to protect the NHS and save lives.

You must not leave, or be outside of your home except where necessary.
