Monday 4th January 2021

Dear Parents and Carers

Happy New Year, I hope you all managed to have a good break over the Christmas period. At the moment, we are able to open for school tomorrow. As Telford has now moved into Tier 3 we have updated our risk assessment and this is available on the school website.

I appreciate that the changing events and circumstances of the pandemic over recent days are concerning and I have been in contact with the local Health Protection Hub and Health & Safety team to review our risk assessment. We really are working hard on making sure we continue to get it right for our children and families and we will continually review our systems to ensure they are robust and effective. Telford & Wrekin Council have stated that they will not be issuing fines for non attendance so if you are anxious about your child returning to school please contact us and we can support and advise.

I include below a reminder of the arrangements for drop off/collection to help to reduce congestion around our busy school site.

Please arrive on time at the staggered drop off/collection times and leave as quickly as possible.

Only **one adult** to be on site with each child during drop off/collection.

Please follow social distancing guidelines and school signs/markings and wear face coverings when on the premises.

Do not send your child into school if they are unwell or show any symptoms of illness. If children have any of the primary or secondary covid 19 symptoms then they are eligible for a test. Please notify school and we will advise where we can. We will engage with NHS Test and Trace where required.

Please do not send your child to school if they have been in contact with a positive case of covid 19.

We are in a situation that is rapidly changing and I will update you as soon as I can if our situation changes. I look forward to seeing you tomorrow. Thank you for your continued support.

Kind regards

Mrs E Smith

Headteacher
