Off-road motorbikes and quadbikes.

We have seen an increase in reports of off-road motor bikes and quad bikes being ridden along roads, footpaths, tracks and grassed areas.

For the avoidance of doubt, such vehicles can only be used on private land with the landowners permission. They cannot be ridden on public land such as parks and can only be ridden on the road if they are road legal and are registered, taxed and correctly insured. The illegal use of these vehicle puts innocent members of the public in danger and causes damage to the environment.

If you have information regarding the improper use of such vehicles please contact our team (using the methods below) or report free and anonymously via the Crime Stoppers charity on **0800 555111**. You can also report anonymously online via www.crimestoppers-uk.org

How to get in touch

Hadley & Leegomery Safer Neighbourhood team along with colleagues from Donnington, LPPT & CID executed a warrant in Leegomery. A large cannabis farm found & 1 person found inside. If you suspect a property contains a cannabis farm please report it via 101 or the West Mercia website

SLOW DOWN

As a follow up to our previous speed enforcement campaign on Sommerfeld Road a speed survey has been conducted. 100 cars were checked and a quarter of those were going fast enough to have received a ticket. Further speed enforcement will be carried out in the area.

COVID AWARE
