

To recognise and understand how we have changed from a baby

Pupils to: Identify and recognise their skills and abilities  
 Understand the difference between boys' and girls' bodies, naming the external body parts  
 Recognise and respect differences  
 Compare and contrast themselves with others

Term	Objectives	Plan	Resources
<b>Summer</b>	Amazing Me  To be able to think about their talents	Children draw / talk about how they have changed since they were a baby. They identify their skills and talents. Children will feel positive about themselves and know they have the ability to learn new things	Respect Yourself p.276
<b>Summer</b>	Same but different  To think about their bodies and recognise similarities and differences between genders	Children think about all of the things that their bodies do and what bodies need to be fit and healthy. They consider their feelings about different parts of their bodies. They begin to think about what is inside their body as well as outside	<b>Respect Yourself p.277</b> <b>SENSE DVD Clip KS1 - Enjoy and Achieve Section</b>
<b>Summer</b>	Animals and their babies  To think about their bodies and recognise similarities and differences between genders	Children recap on differences between genders. They consider similarities and differences between their pets and themselves. They match pictures of different animal babies to their mothers	<b>Respect yourself p.278 / 279</b> Senses DVD KS1 - Making positive contributions being yourself.
