Headteacher Message

We have had a brilliant STEAM week in school. Thank you to all the businesses that have supported us virtually over the week, including Will from Hoo Zoo, Dave from Alight Media and Paul Gerrie from Amazing ICT. The children have been amazed and enlightened by the opportunities available to them in the future and the passion our visitors have demonstrated for their jobs.

A huge well done to Year 6 this week who demonstrated their maturity during their crucial crew sessions. Staff from the nursing team and Police were very impressed with their knowledge and understanding. They are absolutely, ready for Secondary school.

Well done to everyone who received Headteacher Awards this week, I am really proud of your efforts and achievements:

School Play Equipment

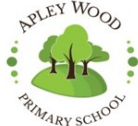

Please can we ask parents not to allow their children to play on the school play equipment before and after school.

The Pirate Ship, Trim Trail and other equipment, is for use in school time only by the pupils in their bubbles. Due to current COVID guidance and restrictions, and for Health and Safety reasons, it is out of bounds to all children at the beginning and end of day.

We would appreciate your co-operation in this matter.

Lunchtime Supervisors Awards

Congratulations to the following children who have received a Lunchtime Supervisor Award this week.

This week's children have been nominated by our wonderful lunchtime team for some great reasons such as being kind to others, having pride in their school and tidying, being kind and helpful to the Lunchtime Supervisors, for telling wonderful stories, and lots more!

The usual STEM week was extended to include Art this year so incorporated Science, Technology, Engineering, Art and Mathematics, all of which were represented with your wonderful outfits. Super Achievement

Last Friday Eva (year 1) took part in her grading at Kyashinkai Martial Arts in Madeley. This week she was proudly presented with a certificate and her new Red/White belt. It has been such a tough year, but Eva has never given up, she loves her Karate. It has really helped her confidence and self belief and she always tries her best. She really wanted to share her achievement.

Well done Eva, you should be very proud.
