

# Homework Project

Date given: 22nd October 2021

Date to be in: 15<sup>th</sup> November 2021

## The Task:

To make a toy or game out of something recycled to show how rubbish can be used.

To be a star you might:

Make a toy or game and name it.

To be a super star you might:

Make an toy or game and name it.  
Label the materials you used.

To be a mega star you might:

Make an toy or game and name it.  
Label the materials you used.  
Write about how to play with it.

To avoid too much coming into school, rather than bringing in your project, please photograph and either email, return on teams or bring it to school to be shared. Any written instructions can also be emailed, sent via teams or brought in a plastic wallet.

Many thanks.

Year 1 team.
