Phonics Homework 18th October 2021

This week the children are learning how to say and write:

r j v y w

In their plastic wallets you will find the Read Write Inc handwriting rhymes and an A-Z sheet with an image to match each letter e.g. r for robot.

Encourage them to practise saying the letter sounds and use paper, paint, chalk or pens to practise writing them.

Due to photographs we missed a session last week so we will be catching up and revisiting r and j
