Dear Parent/Carers,

The Autumn Science topics for Year 2 are 'Animals including Humans' and 'All Living Things'. In order to give the children curriculum based experiences delivered by experts, we will be taking them to West Midlands Safari Park in Bewdley. During their day, the children will have full access to the Safari Park, they will take part in workshops lead by experts in which they will have 'hands on' experiences with some of the animals at the park and they will conclude their day with a coach ride around the Safari Park.

This is a fantastic learning experience and an ideal way to conclude our theme for the term. Our trip will be on **Wednesday 1st December 2021**. We will be leaving at **9am** prompt to get to West Midlands Safari Park in time to start our activities at **10.30am** and we will be home in time for **3.15pm**.

The cost of the visit will be **£17.00** this covers the cost of transport the visit and the discovery session. Contributions are voluntary, **but we must point out that without sufficient support such visits cannot take place**. We are sure you agree that the children's education benefits greatly from such visits. Please make your voluntary contribution through Sco Pay by **Monday 15th November** Childcare vouchers can not be used, these are to be used for wrap around care provision only.

If you are unable to pay the voluntary contribution, please contact the office.

Your child will need to wear school uniform and sensible footwear. They will also need a warm/waterproof coat. As your child is entitled to the **Government Universal Free School Meals** the school can provide your child with a packed lunch, please tick the UFSM box on sco pay if you require this.

Your child will be given chance to have encounters with a range of animals during the workshop. If for any reason your child **cannot** take part in this, please let their class teacher know before their visit.

Many thanks for your support.

Yours sincerely,

Miss Gilbert and Miss Dovydaitis
Year 2 Class Teachers
