Headteacher Message

We have celebrated Black History month over the last two weeks, with the children from Years 1 –5 participating in a workshop this week and all year groups producing some fantastic work linked to inspirational black people they have learned about and why Black History month is so important. A huge thank you to the Telford African & Afro-Caribbean Resource Centre and the Multicultural Development team for the informative workshops, the children really enjoyed them.

Parent consultations take place next week via teams or a phone call and we also have a questionnaire on the parent area of the school website for parents and carers to complete. We are working very hard to ensure that following all the disruption over the last 18 months, we can continue to deliver teaching and learning to the best of our abilities within a safe and nurturing learning environment. Your feedback is very important to us and I hope you can take a few minutes to complete the online form.

Well done to everyone who has received a Headteacher's Award this week:

I would also like to thank everyone for their support and co-operation on Tuesday morning enabling us to secure our site quickly following the local incident.

Year 3 / 4 Girls Football

Our yr 3/4 girls played their first game as a team yesterday playing against a very strong Hollinswood side. Apley played some great football and kept on going until the end. We went into half time 1-1. At the end of the game, the girls unfortunately lost 6-1 but they came off smiling and wanted to play again. Next match they play, will be Redhill Primary school.

Well done girls!

Congratulations to Clair on completing the London Marathon on 3rd October in aid of Severn Hospice. Apley Wood Primary School raised £266.40 from our mufti day on 16th July and donated it to Clair's 'Just Giving' page for this fantastic charity. We are very proud of you Clair!
