Perry the Bull - 2022 Commonwealth Games Mascot

Apley Wood were extremely lucky to receive a visit from the 2022 Commonwealth Games mascot—Perry the Bull!

Year 3 and 4 enjoyed an energy-filled assembly with Perry. They were particularly excited when he played some practical jokes by hiding around the corner before saying a big hello! The hall was full of lots of cheering and waving.

Perry and his friend got the children active leading different games and activities and taught them all about the Commonwealth countries, sports and games. He even gave out some prices for great answers and participation.

There was lots of excitement when Perry went for his walk around the school and shared lots of waves and smiles with all the other year groups!

Thank you for visiting Perry!
