Headteacher Message

Well done to the Safeguarding Team and School council who over the last two weeks have delivered some great assemblies. The Safeguarding team delivered the very important NSPCC PANTS campaign again. This very important assembly teaches children that privates are private, using the simple underwear rule and is designed by the nspcc to support children to stay safe from abuse. For more information, please see the NSPCC website.

Talk PANTS & Join Pantosaurus - The Underwear Rule | NSPCC

The Year 4 School councillors delivered an assembly to the school on Monday which focused on healthy life styles. This included looking at the benefits of exercise, sleep, having a healthy attitude and healthy eating.

A new Autism hub has been launched recently in Telford. They offer a wide range of support and activities for children who have Autism and their families. An information leaflet and contact details are included on the flyer attached to the newsletter.

Whilst the testing rules for covid changes this week, we are still following the Government Living with Covid guidance. We have done everything we can to maintain our face to face teaching but this has been very challenging during some weeks and we have seen very high numbers of children and staff with covid this term. We continue with our risk assessment of hand washing, ventilation and additional cleaning throughout the day. Please be very vigilant for symptoms in your children and if they are unwell or have a higher temperature, they should not attend school until their temperature has gone and they feel well enough. If you are not sure, please speak to the admin team and they can offer advice.

Congratulations to everyone who has received a Headteacher Award this week, I am very proud of them:

Theo P, Finlay C, Sydney M, Cara M-W, Theo B,
Ivan K, Ashleigh P, Oliver L, Sunainah T,
Efosa I-V, Annabell C, Sydney G,
Kayla-Mae S, Loucas H, Finley B-D, Jacob K,
Sophia C, Sabrina S, Melody E, Emilia E.

I hope you all have a good weekend.
Mrs E Smith

Messages for Teachers

To help avoid lots of queues and delays for children coming in to school in the morning, if you have any messages or questions for the teachers, please come to the school office and we can pass any information on. Classroom fire doors will be closed from 8:50 to allow teachers to begin the morning tasks. If you arrive after this time, please send your child in through the main doors off the playground rather than knocking on classroom fire doors.

Many thanks for your co-operation.

KIDS IN THE WILD

IS YOUR CHILD 9-11 YEARS OLD?

DO YOU WANT YOUR CHILD TO HAVE THE ULTIMATE SUMMERTIME ADVENTURE?
ARE YOU FED UP WITH SEEING THEM INSIDE ON SCREENS?
DO YOU THINK THEY WOULD BENEFIT FROM TIME SPENT IN THE WILDERNESS?

Channel 4 and the producers of *Junior Bake Off* are making a brand-new series and are looking for children aged 9-11 to spend two weeks camping in nature this summer.

By encouraging independence outdoors, we will explore the relationships and skills children develop when put to the test.
