Headteacher Message

I hope you all had a lovely Easter break. We have had a great first week of the Summer term. The children came back to school very settled and enthusiastic with their learning. We are back to having face to face whole school assemblies and on Monday, everyone, including our Reception children gathered together to celebrate the new term. They sat quietly and listened very well, given this was a very new experience for them.

We are having a focus on respect and behaviour in school this term. We revisited our Golden rules in assembly and the Safeguarding team, along with some of the School Council are working with our senior leadership team to ensure that all classes and children are aware of the rewards for positive behaviour and consequences that could happen if the golden rules aren't followed. They will share their work on the newsletter when it is ready.

We have got a very busy summer term ahead of us, please keep a look out on the newsletter for events that will be taking place. Thank you to everyone who has supported our Superhero day today. This was to raise funds for a local charity, to support children who are diagnosed with Acute Lymphoblastic Leukaemia. Please see the link for more information. https://preventall.org
I am very proud of these children who have achieved a Headteacher Award this week:
