Review of last year's spend and key achievements (2023/2024)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
Introduction of a new PE planning scheme.	Progression of skills taught has a clear development across the year groups and academic year.	Next step: To fully implement the PE planning scheme across indoor PE sessions (in addition to outdoor) to ensure clear, regular development in pupils' skills and learning.
Use of PE planning scheme and progression document to reorganise the structure of the PE long term overview.	Skills are developed and repeated across year groups to promote knowing and remembering more. Year group overviews mirror the same/similar focus of other year groups throughout the school to help identify progression and create consistency within lessons delivered.	Next step: To monitor the delivery of the PE planning scheme to ensure the length of terms are considered when developing skills.
Subscription to Telford and Wrekin School Sports Partnership.	Provided opportunities to enter sports events and competitions which led to: - Increased engagement of additional sports provision for the school: *Overall, 233 pupils across the school have received additional sports provision from attending a sports event, competition, after school club or sports intervention – 57% of the whole school.*	Next step: to identify which events are developmental, for engagement and to compete to help best select appropriate pupils to participate.

	- Increased the PPG engagement accessing additional sports provision: 75% of PPG children from Y1-6 have accessed a sports club, intervention or sporting event (77% of KS2 and 69% of KS1 PPG children). - School Games Mark – Platinum award sustained for 23-24.	
Development of Forest School.	Allowed pupils additional opportunities to be active outside the PE curriculum and develop their outdoor learning. Sessions have been timetabled into the curriculum to allow all year groups to access Forest School beyond afterschool clubs.	Next step: To make consistent links between the use of Forest School and the wider curriculum to allow maximum opportunities for outdoor learning and opportunities to be active.
Sports coordinator delivered timetabled lunchtime clubs.	Lunchtimes have provided more structured activities to provide a range of opportunities for pupils to be active.	Next step: To timetable and consistently deliver structured lunchtime clubs for both KS1 and KS2.

Key priorities and Planning

This planning template will allow schools to accurately plan their spending.

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
Maintain links with the Telford and Wrekin School Sports Partnership.	Sports coordinator- liaising with TWSSP to organise attendance to sports competitions and events. Identify which events are 'inspire', 'engage' and 'compete' to help best select pupils to attend. Sports coordinator – develop relationships with neighbouring schools to organise non-competitive sports events and extend opportunities for pupils to represent their school. Additional school staff – anyone who will take pupils to sports competitions and events. Pupils – attend a variety of sports competitions and events. Young sports leaders – training delivered so that young sports leaders can lead activities for KS1 pupils at lunchtimes.	Key indicator 2: Engagement of all pupils in regular physical activity. Key indicator 3: The profile of PE and sport is raised across the school as a tool for whole school improvement. Key indicator 4: broader experience of a range of sports and activities offered to all pupils. Key indicator 5: Increased participation in competitive sport.	A variety of pupils, including PPG and SEN, will have attended a range of sports events/competitions. Pupils will have varied opportunities throughout the day to be physically active (during lunchtimes, activities will be delivered by lunchtime supervisors, the sports coordinator and young sports leaders).	£2,730 for the annual subscription.

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.
Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

Question	**Stats:**	**Further context** **Relative to local challenges**
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	%	*Use this text box to give further context behind the percentage.* *e.g., 30% - we are struggling to get pool space due to our local pool closing so we have had to use a much smaller local school pool. We have had to limit the number of pupils attending swimming lessons during one term which means some pupils have attended fewer swimming lessons than others.*
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	%	*Use this text box to give further context behind the percentage.* *e.g., Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2024*

What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	%	*Use this text box to give further context behind the percentage.*
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes/No	
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	Yes/No
