Year 6 September 2025

Dear Parents and Carers,

We are excited to share a wonderful opportunity for our Year 6 pupils to take their Design and Technology (DT) lessons outdoors after the October half term, as part of our Forest School programme.
This hands-on experience will allow children to explore creative design in a natural setting, using found and recycled materials to inspire their projects. We believe this will be a fantastic way to enrich their learning, encourage sustainability, and spark imagination.

To help make this initiative a success, we would greatly appreciate any donations of the following **unwanted or spare items** you may have at home:

- Spoons (any size)
- Forks
- Bells
- Plastic flowerpots
- Washed milk bottle tops (for decoration)
- Any other small, appropriate metal objects

Please do not purchase anything new—we are only looking for items that might otherwise go to waste. Your contributions will help us create a rich and engaging outdoor learning environment.
Donations can be brought in with your child and handed to their class teacher any time before the October half term.

Thank you so much for your support and generosity. We can't wait to see the creativity that your children will bring!

Kind regards,

Mr Yardley

Forest School Lead.
