Year 1 April 2026

Dear Parent/Carer,

Your child's class will be taken out into forest school every Thursday afternoon this half term. This is a fantastic opportunity for them to experience the outside and see how Geography and the natural world often go hand in hand. Their Geography topic for this half term is **Wonderful Weather**!

As we are in the season of spring/summer, we advise that children bring a spare pair of shoes, this could be wellies or old trainers as the site may be muddy still. We would also like them to bring a coat as we will still be learning out there even if it is raining. They will not need anything else other than this as they should still be coming to school in **full school uniform**.

Thank you for your support with this and we look forward to having your child's class learning in the outdoor environment with us!

Kind regards,

Mr Yardley
Forest School leader.
