Anderson Shelter Instructions

Step 1

Carefully cut out the model along the solid black outline. Be sure to also cut down the solid line shown below (there are 4 of these).

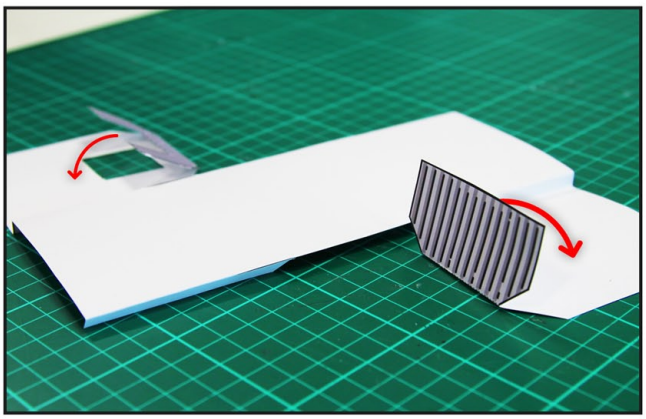

Step 2

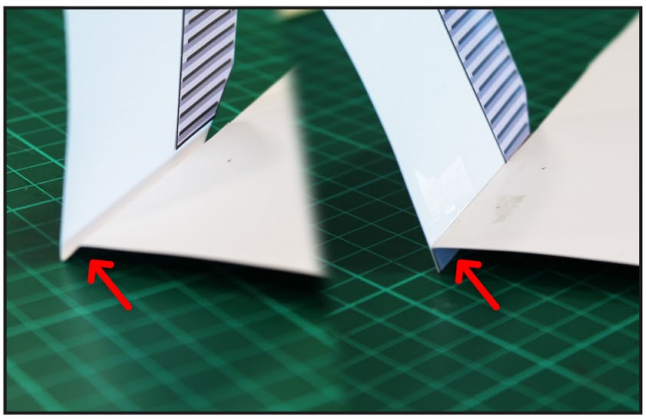

Be sure to cut out the white rectangle on the model, this will act as the entrance to the Anderson Shelter.

Optional : Score the folds of the model by lightly pressing a craft knife against the page, or using an empty ball point pen.

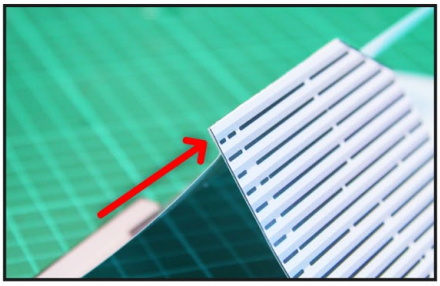

Step 3

Fold the top flaps downward as shown, and stick down to the back of the page.

Step 4

Fold the front and back of the model into a "Z" shape and glue the backs of the facing sections together.

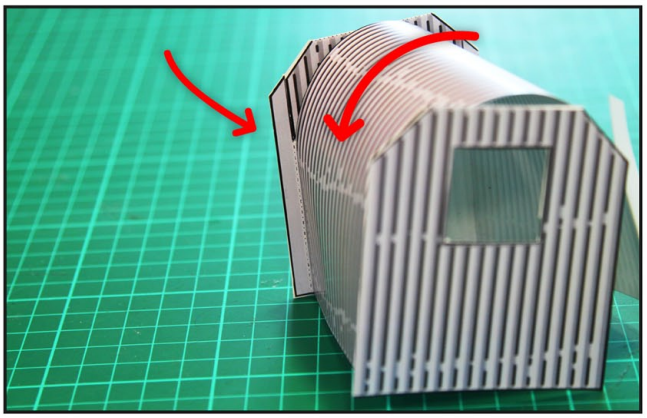

1) Cut
2) Hill Fold
3) Valley Fold
4) Glue 1 2 3

Anderson Shelter Instructions

Step 5

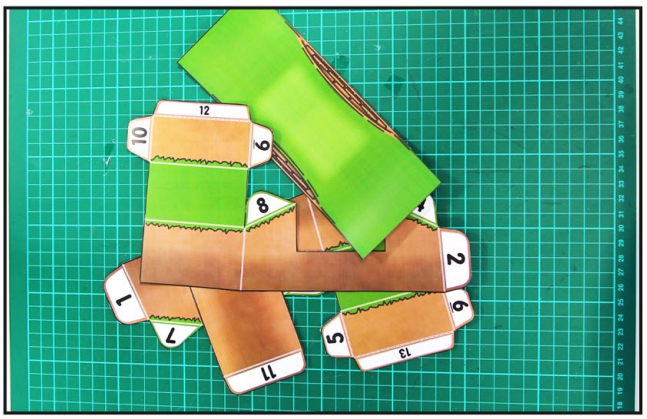

Curve the other side of the model around and attach the exposed tab to the back of the page as shown (this should make it symmetrical to the other folded side).

Do this for both exposed flaps.

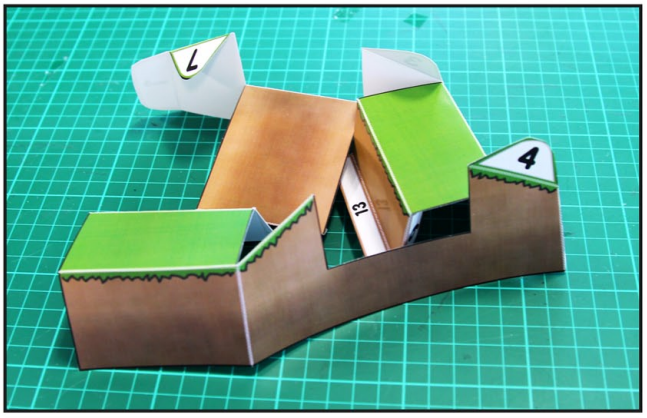

Step 6

Optional : Attach tape to the inside of your Anderson Shelter to stop it from unfolding or unsticking if using a weaker glue.

Step 7

To build the dirt/ground section of the model (pages 3-5) carefully cut out the parts by cutting along the solid black outline.

Step 8

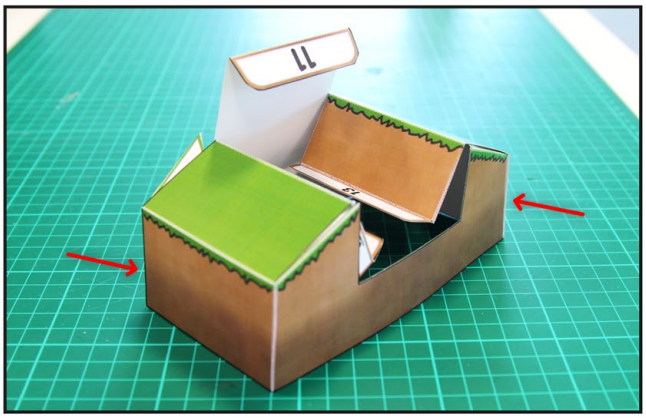

Fold along the dotted lines as shown in the diagram below.

1) Cut
2) Hill Fold
3) Valley Fold
4) Glue 1 2 3

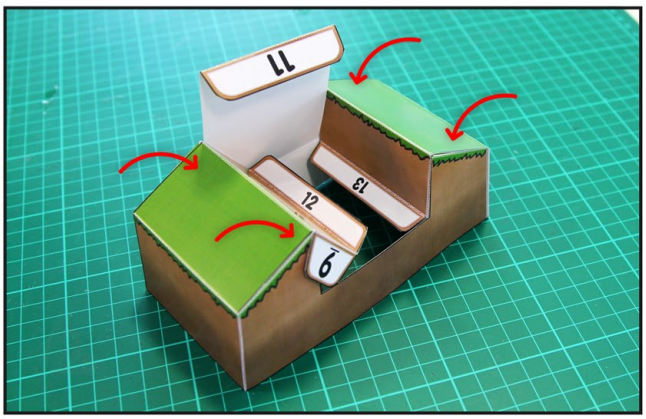

Anderson Shelter Instructions

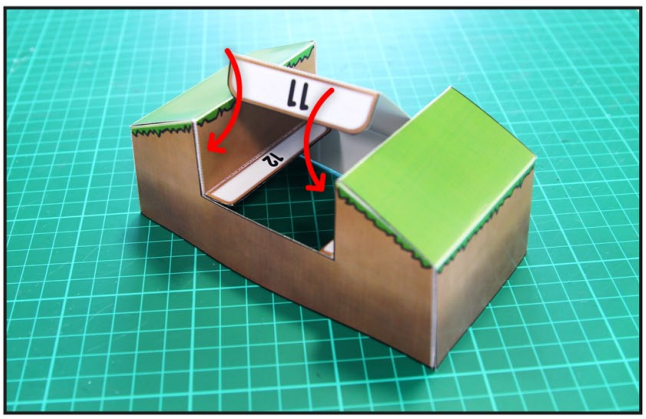

Step 9

Fold along the dotted lines as shown in the diagram below.

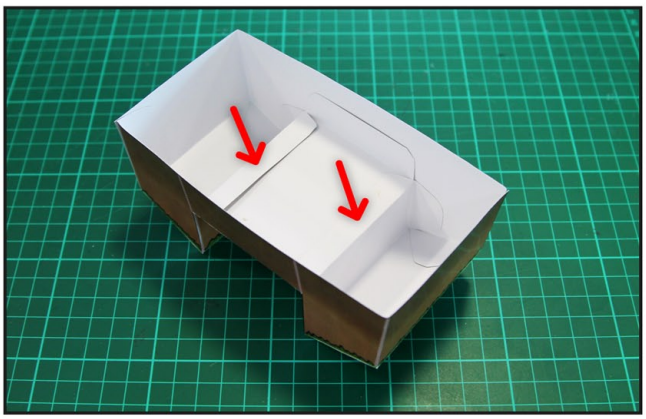

Step 10

Glue tabs 3-4 and 7-8 down as shown.

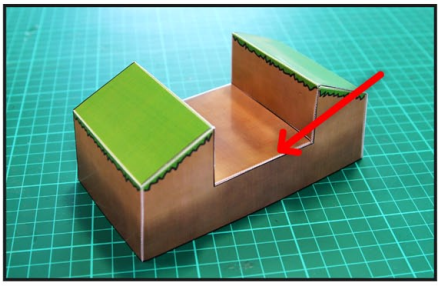

Step 11

Glue tabs 5-6 and 9-10 to the inside of the model as shown.

Step 12

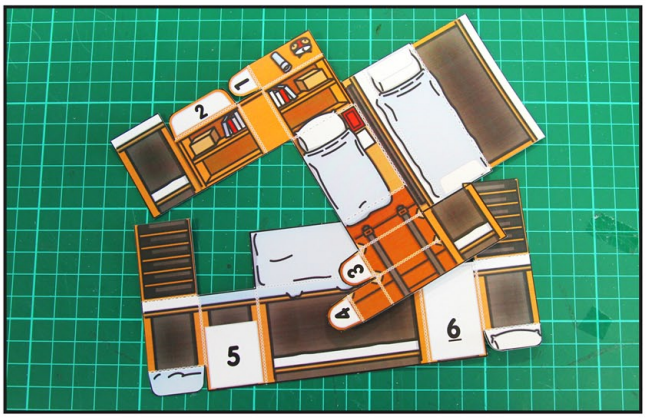

Glue tabs 11-13 down as shown, making sure tab 11 is in the inside of the model.

1) Cut
2) Hill Fold
3) Valley Fold
4) Glue 1 2 3

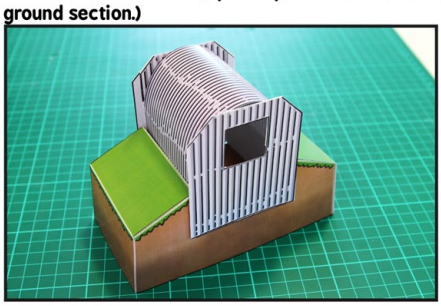

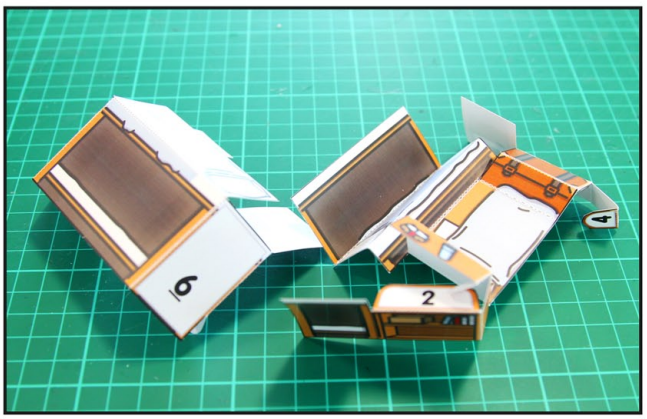

Anderson Shelter Instructions

Step 13

To build the interior of the shelter, carefully cut out the model on page 2 along the solid black outline. (By now you should be able to fit the shelter into the ground section.)

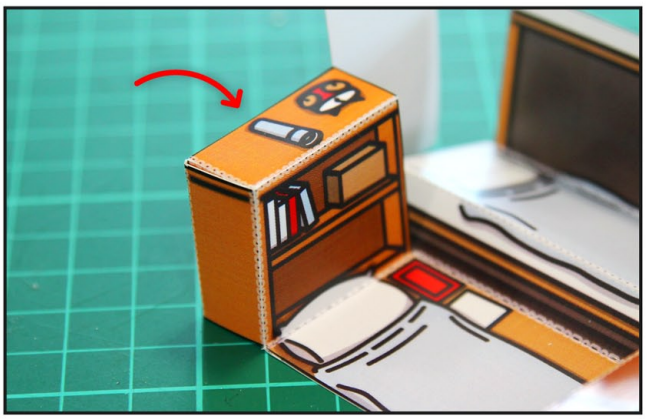

Step 14

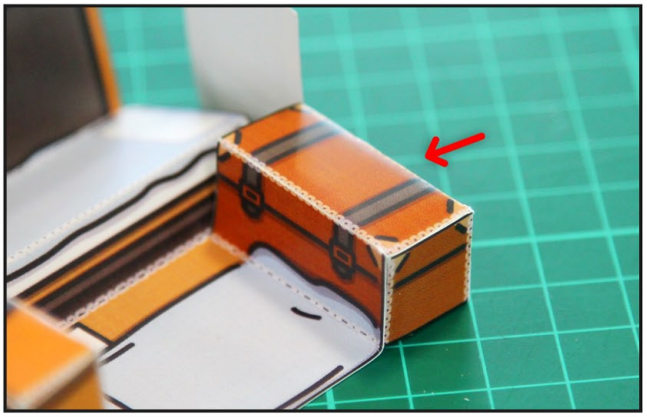

Fold along the dotted lines as shown in the diagram below.

Step 15

Glue tabs 1 and 2 to create the small shelving unit as shown.

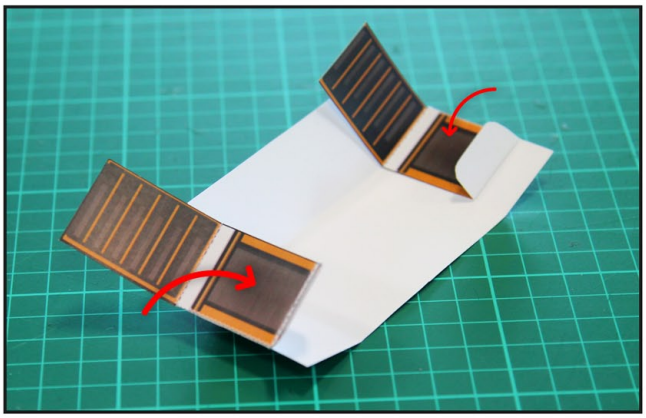

Step 16

Glue tabs 3 and 4 to make a small box as shown.

1) Cut
2) Hill Fold
3) Valley Fold
4) Glue 1 2 3

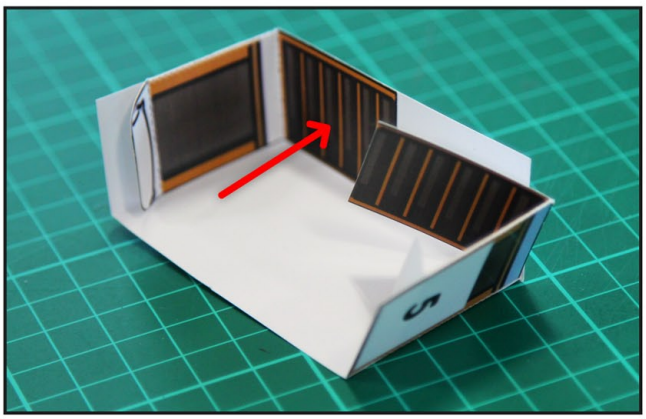

Anderson Shelter Instructions

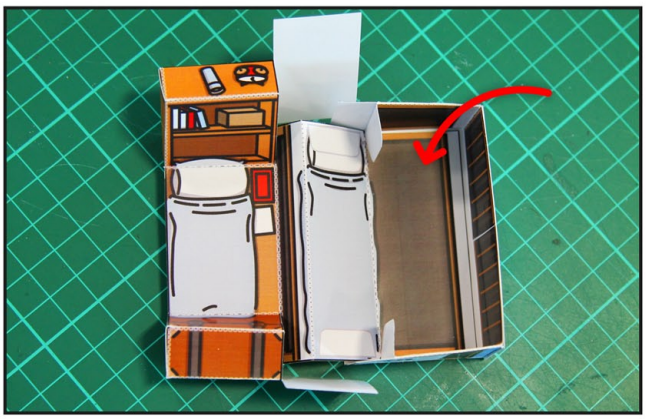

Step 17

To create the upper bunk, fold the side sections over as shown. Glue the back of the page together to keep these parts in place.

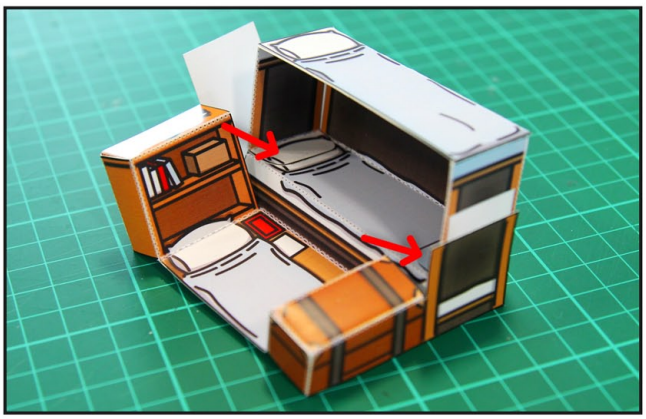

Step 18

Glue the back of the page together as shown to glue the underside of the bed together.

Step 19

Glue the blank side of the upper bunk to the back of the large face on the other interior section as shown.

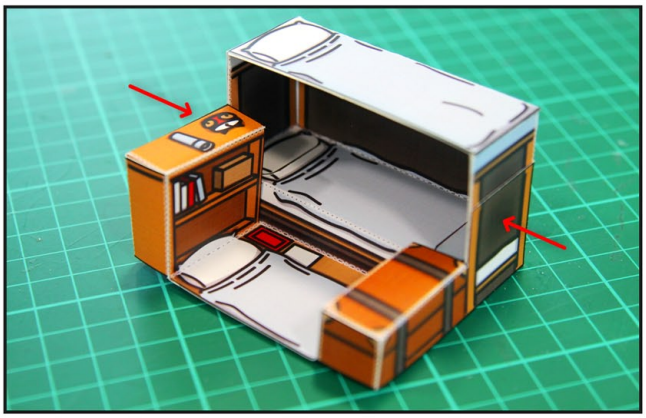

Step 20

Glue tabs 5 and 6 down to the flaps on the upper bunk section as shown.

1) Cut
2) Hill Fold
3) Valley Fold
4) Glue 1 2 3

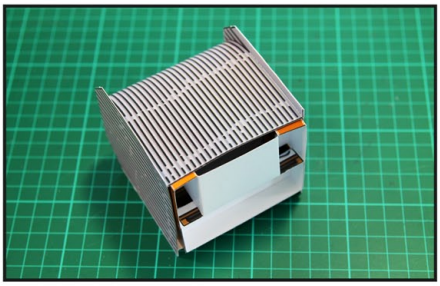

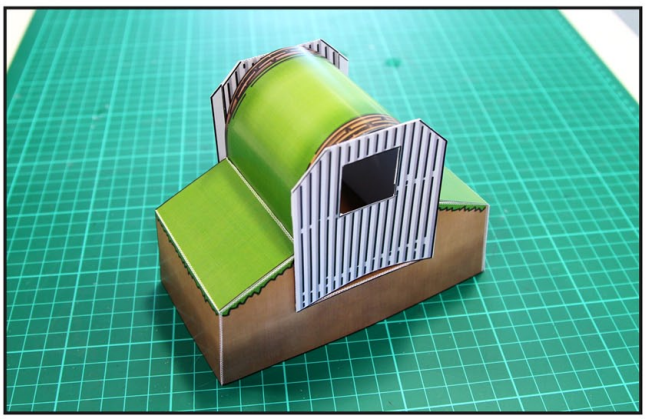

Anderson Shelter Instructions

Step 21

Glue tabs 7 and 8 to the back of the sides as shown. You should be able to fit the interior into the bunker section.

Step 22

You can now place the dirt cover into the sides of the bunker to show how the shelters would have been built.

1) Cut
2) Hill Fold
3) Valley Fold
4) Glue 1 2 3
